

19 OCT 2009

From: Coordinator, NAVSEA Standard Specification for Ship Repair
and Alteration Committee (SSRAC)

Subj: FINAL REPORT OF JULY 2009 SSRAC MEETING (FY-11 STANDARD
ITEMS AND APPENDIX 4-E)

Ref: (a) NAVSEA 05 ltr 9631 05P23/109 of 03 July 2008 (NOTAL)

1. Southeast Regional Maintenance Center (SERMC) hosted the annual SSRAC meeting 21-24 July 2009, in Jacksonville, Florida. All SSRAC products, including FY-2011 NAVSEA Standard Items (SI) and Appendix 4-E of the Joint Fleet Maintenance Manual (JFMM) Volume VII, Chapter 4, are available on the official SSRAC Web site by clicking the "What's New" link at:

<http://www.sermc.surfor.navy.mil/ssrac1/index.htm>.

2. The FY-11 Standard Items and Standard Phraseology (Section A) shall be invoked **for all CNO availabilities with an availability start date in FY-11** and in all other (CMAV and emergent) new procurements issued after **01 February 2010**. Standard Phraseology (Sections B-G) and SSRAC-responsible Standard Work Template changes are effective upon receipt.

3. Reference (a) requires the use of SI 009-32 (Cleaning and Painting Requirements; accomplish) for general shipboard and submarine maintenance painting at Naval Shipyards. Implementation date for the FY-11 version shall be determined by the executing activity.

4. SSRAC Coordinators are responsible for advising users within their respective activities and MSR contractors under their cognizance of the availability of these products.

5. The Master Specification Catalog Maintenance Office should ensure that phraseology changes as well as Table/Line changes resulting from the revisions to SI 009-32 are incorporated into the Standard Work Templates and Class Standard Work Templates.

6. The requirements of this letter do not authorize any change in terms, conditions, delivery schedule, price, or amount of any Government contract.
